

THE COMING HORDES OF TERROR

There is right now, in world history, a working to bring about an iron cold empire, in every way alien. Its hordes are coming to bring great destruction upon many nations. The Bible plainly shows it in Ezekiel chapters 38 and 39.

For years now this machine has been prepared, monotonously working at capturing the minds of millions, and directing the hands of zealots, while all the time lulling the world with a message of false peace.

The great dream of Russia is that she should be mighty, and that she should carry out the will and testament of Peter the Great, which would make Russia the New Superpower, and Moscow the capital of the world.

These plans are at a well advanced stage in Russia, insomuch as she now has stronger links than ever with extremist Muslim nations. As soon as Israel enters into a seeming permanent peace, a dictator must arise to lead the Northern Confederacy.

Christians who believe the Bible have inside knowledge on this, because God is the one who is “Declaring the end from the beginning” (Isaiah 46:10).

In line with economic power, Gog and Magog are set to come and steal from Israel.

“Thus saith the Lord GOD; It shall also come to pass, *that* at the same time shall things come into thy mind, and thou shalt think an evil thought: And thou shalt say, I will go up to the land of unwallled villages; I will go to them that are at rest, that dwell safely, all of them dwelling without walls, and having neither bars nor gates, To take a spoil, and to take a prey; to turn thine hand upon the desolate places *that are now* inhabited, and upon the people *that are* gathered out of the nations, which have gotten cattle and goods, that dwell in the midst of the land.” (Ezekiel 36:8-10).

In line with their military power, they are to have control of various nations, especially Israel.

“Thou shalt ascend and come like a storm, thou shalt be like a cloud to cover the land, thou, and all thy bands, and many people with thee. ... And thou shalt come from thy place out of the north parts, thou, and many people with thee, all of them riding upon horses, a great company, and a mighty army” (Ezekiel 38:9, 15).

In line with their ideological power, they are made up of Orthodox and Muslim nations, who have in common anti-Semitism, and also represent anti-Western and anti-Biblical things.

However, the Bible also shows that God is going to directly intervene and destroy Gog, their leader, and 83% of the followers. When this happens, Bible believing Christians should be able to show the world that they were right all along, and that the Bible is prophetic and accurate.

This means proclaiming this beforehand before Russia and Iran and the rest ever come to Israel.
